

Concerning: Club-lane European Ford Event

Dear Ford owners,

On Sunday 12th September 2010 we organise the "European Ford Event" on the FlevOnice event area in Biddinghuizen. (this event drew last year ± 2500 visitors.)

This year we also have the Club-lane again on the European Ford Event. the Club-Lane is a possibility to pre order a place at the venue for you're club so you can stand together during the event. On the FlevOnice event area we have reserved some space so you can park all your club cars together no matter how many cars you have. To make this day complete we invite your club to join us at the venue.

To anticipate at the Club-Lane is only possible if You book and pay in advance. Herefor You need to specify the number of anticipating cars and people.
In return we ask of you to advertise the "European Ford Event" by handing out the flyers that will be send to You at your venue or give them to club members.

For contestants you can order tickets at € 10,- per person by filling in the attached booking form. You only pay the entry price and no extra costs!!!! (so no parking fees or other things.)

Payment has to be done for the total amount for Your club and not as individuals (so no sending Money per person to the club!) on the account of the Ford XR/RS-CLUB in Baarn,

IBAN: NL20INGB0002988327

BIC nummer: INGBNL2A

Bank: ING BANK N.V

As soon the money has been cleared the tickets will be send to You by post.

To be able to determine how many clubs are coming please send in the application form.
You can send the forms to the Ford XR/RS club. (see postal address on the bottom of the letter.)

Thank you for your cooperation.

With Kind Regards,

Ford XR/RS Club
