

Ford XR/RS Club Holland

De club voor de "sportieve" Ford rijder!

CLUBLANE

1. Tickets per club must be paid ahead.
2. After August 20 the registration is closed! After this date, we will divide the clublane parkingspace and send the tickets.
3. Access Clublane from the main road between 8:am and 9am. After 9am you will stand in line together with the other guests (thus longer waiting times).
4. You should sit in the car with the correct number of people. Those who have no entrance ticket should buy it at the ticket office at the normal rate.
5. Dogs are not allowed on the premises.
6. You need to keep your own parkingspace clean. Household waste should be deposited in the waste containers. Not household waste such as no longer needed carparts may not be dropped in the containers and may also not be left on the premises.
7. You must at all times respond to the parking attendants. This is to guarantee a free passage area for emergency services.
8. If you need to park on the grass, do it nicely by parking backwards unless you get other orders from the parking attendant.
9. Excessive use of audio equipment on the premises is not allowed. Once this is detected organizational measures will be taken.
10. Burn-outs are prohibited on the premises. When seen you will be removed off the premises.
11. On site you may only drive at walking pace. This is for the safety of visitors, exhibitors and others.
